INQUIRY LETTER RE STATUS OF PETITION for REVIVAL

Sir:

This application was allowed in August 2008. On 8 August 2008, upon receipt of the Issue Fee Payment notice, applicants submitted their check for \$1,000, inadvertently underpaying the \$1,020 due by \$20. Applicants did not realize they had underpaid the Issue Fee by \$20 until they received a Notice of Abandonment (for failure to pay issue fee) in mid-November 2008.

On 25 November 2008, applicants submitted a Petition for Revival of an Application for Patent Abandoned Unintentionally under 37 CFR 1.137(b), along with a check for the \$810 Petition fee, and with a check for \$20 for the underpayment of the Issue Fee.

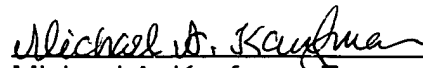

The USPTO Public Pair reflects that this Petition for Revival was received by the USPTO on 28 November 2008, nearly four months ago.

By this Inquiry Letter, applicants respectfully ask approximately when their Petition will be adjudicated, and presumably the subject patent issued, all relevant fees having been paid.

Respectfully submitted,

CANESTA, INC.
